2022 EXHIBITOR INFORMATION & APPLICATION

The Minneapolis Monarch Festival is currently accepting applications for exhibit space at the 14th Annual Festival to be held on Saturday, September 10, 2022, at Lake Nokomis.

The festival is expected to draw 9,000 or more participants in 2022. We expect 35 percent of the visitors will be native Spanish speakers. The festival's popularity lies in the broad cross-cultural interest in the monarch butterfly and the welcoming, bilingual atmosphere the festival provides for everyone attending. We strive to be open and welcoming to all residents of Minneapolis and beyond.

Monarch education, live music, dance, art activities, games and more, are all designed to highlight the Minnesota-Mexico connection and to foster an appreciation for monarch habitat conservation. By raising awareness and making it easy for people to access and grow monarch friendly plants, the festival contributes to the viability of the monarch's 2,300 mile migration.

Exhibitors and vendors will be selected based on the **educational value** they bring to the festival regarding monarch protection and habitat conservation, Minnesota-Mexico cultural connections and closely related topics. Closely related topics may include: threats to other pollinators, habitat loss, native plants, Latinx in Minn, and so on. Exhibitors should offer festival-goers information and opportunities for actions that support habitat conservation in the USA, Mexico, and/or Canada. The variety of exhibitors, experience and performance at previous festivals, will also be considered.

Exhibits must be interactive and engaging to people of all ages. Special consideration will be given to organizations that can provide info in English and Spanish, or will have bilingual staff at the booth.

Please contact the festival organizers **FIRST** if you are unsure if your organization meets the selection criteria. We are happy to discuss your exhibition idea to see if it would be a good fit for the Minneapolis Monarch Festival. Most types of vendors do not meet the educational value requirement. Also, Prek-12 schools, youth groups, and faith communities usually do not meet the requirement.

No applications accepted after **August 20, 2022**. Notification of acceptance for applications will be within three weeks of receipt of application and payment.

The final determination of exhibitors is at the sole discretion of the Festival Organizers – the Minneapolis Monarch Festival, the Minneapolis Park and Recreation Board (MPRB) and the Nokomis East Neighborhood Association (NENA).
